Ehud, Nili,
Following my discussion with Ehud regarding the possibility of media peril insurance, I inquired with an insurance agent I like re pricing. Before he can get me an answer on process. he would need this form filled out – so that he can get a quote. I mentioned to him that this form seems more geared to publishers then authors, but he suggested that nonetheless it be filled in as best as possible.
Best wishes and שבת שלום,
Menachem

Dear Lee/Darren/Kristina
A (VIP) well known Israeli client (at this stage I can't tell his name, but, no doubt, I shall do so soon) is to publish his autobiography.
He is interested to cover his liability in connection with the book to be published. (he wants to be protected v. claims regarding plagiarism, libel, slander, copyright infringement, breach of privacy, breach of other proprietary rights etc, etc and also to be covered v. errors and omissions (E&O) exposure

Can you please send me a blank Proposal Form ?

Regards
Shaked
